

CAREER PROFILE

A person seeking to work with awesome people. A few things that best describe him:

- A *semi-autodidact*.
- Passionate about programming. Loves to craft eloquent programs.
- Loves to explore behind the scenes working of things.
- Interested in design. Craves to make simple and intuitive interfaces.

EDUCATION

B.E. in Computer Science and Engineering

2014 - 2018

Saranathan College of Engineering

- *Life-changing* experience.
- Helped discover his interest in design.
- Learned and discovered a **lot** of new things, both in class and through exploratory learning.

Higher Secondary Certificate (HSC)

2012 - 2014

Mahatma Montessori Matriculation Higher Secondary School

- Discovered that scoring marks is not the ultimate goal of studies.
- Came to know that *there's more to life than just getting grades*.
